

JGK Virtual & Hybrid Event Solutions

The event industry has changed. Digital and hybrid events are here to stay. At JGK, we view this as an exciting opportunity. We offer our clients the best innovative livestream and digital event experience solutions.

We'll help you navigate the digital landscape.

At JGK, we will work with you to design a customized virtual event engagement strategy that aligns with your business goals and objectives. And...ensures your event is memorable, measurable and on-budget.

As an authority on event tech and tools, we'll help you expand your digital strategy.

- Board Meetings
- Hybrid Events
- Product Launches
- AGM: Annual General Meetings
- Virtual Trade Shows
- Virtual Galas & Fundraisers
- Webinars & Tutorials
- Conferences...we've got you covered.

If you are new to virtual, we'll help you pivot.
